

## My Story

As a teenager I had the opportunity to be involved in several summer missions trips with my church youth group. During those months of traveling and serving God I became keenly aware of my need to rely on Him daily. As God answered my prayers He drew me into a very deep and personal relationship with Him. The discipleship I received during those trips impressed on me the importance of investing in the lives of other people. And God called me to commit my life to serving Him.

Six years later, Todd and I had the privilege of going to work for 10 years with Reign Ministries, leading summer missions trips for students through Royal Servants. After moving on to church ministry we continued to encourage students to be involved in this life-changing adventure.

Royal Servants has had a profound impact in my life and the lives of my own children as they chose to travel with Royal Servants as teenagers. I have seen its influence continue into adulthood in the lives of many students over the past 30+ years. Their stories are a testimony to the effectiveness of this evangelism and discipleship ministry.

And now God has called me back to work with Royal Servants. He has prepared me with skills and a passion for organization to serve in an administrative role to help meet the needs Reign has in this division.

## Reign Ministries

### Mission Statement

We are building and advancing the Kingdom of God by developing youth and youth leaders to have a great commandment heart and live a great commission lifestyle.

### Vision Statement

Our Vision for students is to:

- **Expose** them to the world's burning need for a Savior.
- **Equip** them to meet that need through discipleship.
- **Ignite** in them a passion to serve.
- **Send** them home to be actively involved in ministry and impact their world for Christ.

### Royal Servants Division

Royal Servants summer mission trips are for Jr. High, Sr. High and College students who have a desire to impact the world and challenge their own boundaries. Our mission trips are led by full-time Reign Ministries staff members that have a heart for students and a burden for the nations. Through relational ministry, our trips serve lepers and orphans in Nepal, unreached people groups in closed countries, Muslims in Africa, post-Christian communities in Europe and Latin America. We've had over 9,000 students travel with us to 62 different nations around the world!

## My Role: Royal Servants Administrative Staff

The Royal Servant Administrative Team is responsible for overseeing Royal Servant summer missions trips that are sent out around the world each summer. The role of this team varies greatly throughout the year as we prepare students and ourselves for a summer of overseas ministry.

Here is a glimpse of some of the specifics:

- Processing applications
- Printing, assembling and sending out preparation material to students
- Fielding phone calls and e-mails
- Coordinating Recruiting trips
- Summer Emergency contact
- Assisting with team travel needs
- Overseeing the return of inventory and supplies from training camp and overseas

This role requires team work and organization to keep things running smoothly. I am thankful for the opportunity to use the task-related skills God has given me and my passion for organization to be a part of this team.

## Financial Support Team

Reign Ministries is a non-profit faith ministry. Like other missions organizations, there are no central funds for paying salaries or ministry expenses.

In order to make my full time ministry possible I rely on a team of partners who join with me through financial support and prayer. My partners are my only source of funding to cover my approved monthly budget which includes:

- Salary
- Taxes
- Benefits
- Health Insurance
- Ministry Expenses

I need to find a team of partners who will give \$50, \$100 or \$150 monthly or some other amount to support my ministry.

As soon as this team is complete I can turn my full attention to my ministry position. My commitment to my partners is to work diligently in the role God has called me to; to regularly communicate how God is blessing this ministry and to share prayer concerns with one another.

Would you pray and consider making a monthly commitment of \$50, \$100 or \$150 or some other amount?
